Facts & Info

- **CHRIMP**- Consolidated Hazardous Material Reutilization & Inventory Management Program
 - Executive Orders 13101 & 13148, Greening the Government & Pollution Prevention
 - CNO msg 011810Z May 95, directed CHRIMP implementation
 - CNO msg 131755Z Jan 03, CHRIMP Ops
 - NAVSUP P-722 Navy CHRIMP Manual
- **JEMMS** - Joint Environmental Material Management Service
 - DLA effort to work across the joint services to guarantee the successful management of DoD's HAZMAT inventory
 - JEMMS is similar to the Navy's CHRIMP, its customer base extends beyond the Navy to include the Marine Corps, Air Force and Army
 - Use one software... HSMS 3.0 (Jan 05)

JEMMS MISSION and VISION

- To create an integrated supply chain service devoted to improving warfighter readiness by providing responsive, timely, and reliable HM/HW management, at the lowest total cost with improved environmental compliance.

BENEFITS

- Standardized Hazardous Material Management for all Military Services - HCS, HMMP, HDSC, and CHRIMP goals.
- Encourages Environmental Stewardship to support EO 13101 and EO 13148.
- Single Software solution for improved data management
- Designed for managing HM across multiple services/sites/regions
- Innovative Inventory Sourcing Strategy (DLA/3PL)
- Improved HM Asset Visibility
- Returns War fighter Resources to direct mission duties
- Greatly reduces Life Cycle Costs, i.e. hardware/software/infrastructure

Norfolk Region POCs
